

My Awesome Presentation on Surgery in Nepal

Dr Suman

suman...@gmail.com

Institute of Medicine, XY University

June 19, 2017

I will show you to make presentation with \LaTeX and beamer. Bear with me.

Slide 2

This is subtitle

- Scalpel
- Cautery
- Suture

Monthly meet of SSN

It takes place every last Saturday of Nepali calendar.
You are invited. :)

Slide 3

- Surgery is rewarding.
- Mmm. . .¹
- Neurosurgery Society²

¹This is first footnote. You can cite journal here

²Journal of SSN

Slide 4

We are about to end this presentation.³

³This is second footnote. You can cite journal here also. )

Inserting images

Now I am including image in my presentation.

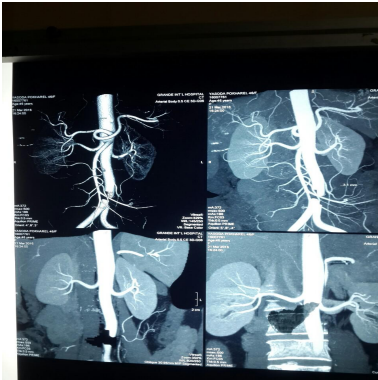

Figure 1: CT angiography of a donor patient for renal transplantation.

Figure 2: CT scan showing growth in rectum

Repeat image

Figure 3: CT scan showing growth in rectum

Last slide

Thank you for coming till here.
See u next time. :-)
